Mail to: Program Director School of Radiologic Technology CHI st. Vincent Infirmary Two St. Vincent Circle Little Rock, AR 72205-5499 Personal interviews will also be conducted by members of the Admissions Committee. You can contact our office at 501-552-2989 for additional information or to request an application.

APPLICATION QUALIFICATIONS

Applicants must document a cumulative college grade point average (GPA) of 2.5 or higher for all colleges attended. The CHI St. Vincent Health System offers two degree tracks, an associate in applied science thru PTC and a bachelor of science thru UCA.

Individuals applying to the program, must either hold an

associates degree or be pursuing an associates or bachelor's degree through a program affiliate, UCA or PTC. Radiologic Technologist Applicants seeking college credit for courses in Radiologic Technology taught by CHI St. Vincent Health System must complete the required pre-professional course work at the University of Central Arkansas in Conway (UCA) or Pulaski Technical College (PTC) in North Little Rock. Failure to complete the required hours BEFORE entering the professional curriculum at CHI St. Vincent will result in the student being ineligible to receive a Bachelor of Science Degree from UCA or an Associate of Applied Science degree from PTC.

Financial aid is not provided by CHI St. Vincent School of Radiology but by the college affiliate.

All questions concerning eligibility for college credit will be directed to:

University of Central Arkansas (UCA) Radiography Advisor - Deedra Smith, Cindy Shelton Doyne Health Science Center, Rm 317 Conway, AR 72035-5003 Phone: 501-450.3194 www.UCA.edu

Pulaski Technical College (PTC) Dr. Jeanne Williams, Dean of Allied Health & Human Services, 3000 West Scenic Drive North Little Rock, AR 72118 Phone: 501-812-2200 www.PulaskiTech.edu

If you are an individual with a degree and are looking for a career change, the CHI St. Vincent School of Radiologic Technology may be for you. Individuals, who have an associate's degree or higher, are eligible, to apply to the Radiologic Technology Program as independent students. The existing degree will not need to be focused in the sciences; arts, English, and general education degrees are acceptable. Independent students can complete the 24month program and upon completion are eligible for the ARRT certification in Radiography. Independent students are not eligible for financial aid; however, quarterly payment plans are available. If the independent student should wish to accumulate college credit hours while enrolled in our program; they

would need to register as a PTC student. If you have any questions, feel free to contact the school at 552-2989.
