

# You Have It. We Need It.

## NOW HIRING SKILLED TECHNICIANS

We're looking for extraordinary surgical technicians to join our staff. We offer competitive wages, first-rate benefit packages and a flexible schedule.

Our **Surgical Technicians** assist the Operating Room Team during operative procedures in accordance with internal standards and procedures. Work includes arranging and inventorying sterile set-up for operations, passing items as needed to the operating team, assisting in the preparation and moving of patients and in the clean-up of the operating room.
