

Together We Can

IMAGINE THE POWER OF PURPOSE

You have it. We need it.

We're seeking licensed Certified Nursing Assistants, EMTs and Paramedics to join our award winning team. If you are driven and focused on providing excellent patient care, this is the place for you.

We offer flexible scheduling, an excellent benefit package that includes tuition reimbursement, life insurance, and short-term and long term disability for full-time and part-time employees. Scholarships are also available for select programs.

As a ministry of the Catholic Church, we will lead the transformation of health care to achieve optimal health and well-being for the individuals and communities we serve, especially those who are poor and vulnerable.

Join us for a Career Fair!

Tuesday, March 21, 4 - 6pm or

Thursday, March 23, 4 - 6pm

CHI St. Vincent Infirmmary - Education Dept.
2 St. Vincent Circle, Little Rock

Enter through the Health Education Entrance

together

we're

better

Imagine better health.SM
