

CHI-St. Vincent School of Radiologic Technology

Summer II (First Year) Start 4 <sup>th</sup> Monday of June-Grades submitted end of July					
RADG		Introduction to Radiography	1		
RADG		Medical Ethics and Law	1		
Fall Semester (First Year) August 1 thru 2 <sup>nd</sup> week of December-Grades submitted December					
RADG		Image Processing	1		
RADG		Medical Terminology	1		
RADG		Patient Care in the Radiologic Science	1		
RADG		Image Analysis I	1		
RADG		Radiographic Procedures I	1		
RADG		Radiographic Procedures II	2		
RADG		Clinical Education I			
Spring Semester (First Year) First week of January thru 2 <sup>nd</sup> week of May- Grades submitted in May					
RADG		Image Analysis II	1		
RADG		Radiographic Procedures III	1		
RADG		Digital/Film Acquisition and Display I	2		
RADG		Clinical Education II			
Summer I Extended (Second Year) First week of June thru last week of July- Grades submitted in August					
RADG		Introduction to Quality Assurance	1		
RADG		Image Analysis III	1		
RADG		Radiographic Procedures IV	2		
RADG		Clinical Education III			
Fall Semester (Second Year) First week of August thru 2 <sup>nd</sup> week of December-Grades submitted in December					
RADG		Radiation Production and Characteristics I	2		
RADG		Radiographic Procedures V	1		
RADG		Imaging Equipment	2		
RADG		Image Analysis IV	1		
RADG		Radiation Production and Characteristics II	1		
RADG		Clinical Education IV			
Spring Semester (Second Year) First week of January thru 2 <sup>nd</sup> week of May-Grades submitted in May, excluding Senior seminars submitted at completion which is first week of June.					
RADG		Radiographic Pathology	1		
RADG		Principles of Radiation Protection	1		
RADG		Principles of Radiation Biology	1		
RADG		Senior Seminars	1		
RADG		Digital/Film Acquisition and Display II	2		
RADG		Clinical Education V			
		Clinical Education VI
