

APPLICATION PROCESS CALENDAR

Application Period Requirements

Application period is open from November 1st to March 1st each year. The following documents must be postmarked no later than March 1st. If the 1st falls on the weekend, then Friday will be the deadline date.

Submit the completed application form with a non-refundable \$50.00 application fee.

Applicants must document a cumulative college grade point average (GPA) of 2.5 or higher for all colleges attended. Transcripts from all colleges attended shall be submitted before an applicant is scheduled for interview. Copies of transcripts issued to students are not considered official and will not be accepted. Failure to submit these documents by the above deadline will render the applicant ineligible or consideration for the current application period. **THERE WILL BE NO EXCEPTIONS.** It is recommended that you allow plenty of time for transcripts to arrive at the school before the deadline date.

Upon entry into the program, applicant's must either hold an associates degree or be pursuing an associates or bachelor's degree through a program affiliate, UCA or PTC.

Applicants seeking college credit for courses in Radiologic Technology taught by St. Vincent Health System must complete the required pre-professional course work at the University of Central Arkansas in Conway (UCA) or Pulaski Technical College (PTC) in North Little Rock. Failure to complete the required hours BEFORE entering the professional curriculum at St. Vincent will result in the student being ineligible to receive a Bachelor of Science Degree from UCA or an Associate of Applied Science degree from PTC.

All questions concerning eligibility for college credit will be directed to:
